## LOVE Principle

- Reduces Isolation
- Identifies Risky Behavior
- Improves family Communication
- Strengthens relationships teen-teen

## Prevention is KEY Are we missing the RED FLAGS?

Here's how to spot them!

Listen- what message is your teen or friend sending?

Observe- changes in mood, music, friends, drug-use, posts, threats etc.

Validate- take their words seriously. Do not brush them off.

Encourage- seek help/ report.
